

# HEROES<sup>TM</sup> OF THE SANCTUM

THE STRATEGY CARD GAME

HYBRID MODE

# Hybrid Mode

The Multiplayer Expansion allows for a new solo game layout called *Hybrid Mode*. This allows solo players to utilise Skill Sheets to better visualise Loot and make it easier to move heroes on the Battlefield.

## Diagram:

**Layout:** In *Hybrid Mode*, players place the associated Skill Sheets of their chosen heroes under the standard game layout (as shown above).

**Rules:** All Loot must now be placed into an available slot of a Hero's Skill Sheet. Use the *Advanced* side of a Skill Sheet if its Hero is advanced. When Heroes are defeated, their Skill Sheet and Loot are discarded.
